

Apply for the Australian Construction Achievement Award 2025

The [Australian Construction Achievement Award \(ACAA\)](#) is the ultimate recognition of excellence in Australia's construction industry. Jointly presented by the Australian Constructors Association and Engineers Australia, the award highlights projects that are redefining how the industry operates, setting new benchmarks and driving transformation toward a more sustainable and progressive industry.

Celebrating its 28th year, the ACAA celebrates innovation and exceptional delivery. It recognises projects that not only excel technically but also create lasting social, economic, environmental and cultural value for their teams and the wider community.

If your project reflects the very best of Australian construction, now is the time to step forward. Entries are now open and close on Thursday, 6 March 2025.

How to apply

Applying for the ACAA involves a straightforward process that focuses on presenting your project's merits and achievements. Here are the key steps to get started:

1. Register online

- Visit the official [ACAA platform](#).
- Create an account to complete your entrant details.

2. Provide project information

- Submit essential details about your project, including:
 - Project name and location.
 - A concise 60-word summary of the scope of work.
 - The purpose of the project (maximum 150 words).
 - Contract timeline (commencement and completion dates), type and value.

3. Meet the mandatory requirements

- Ensure your project complies with the following criteria:
 - Delivered within the agreed timeline and budget (allowing for approved variations).
 - Meets agreed quality standards without material defects.
 - No fatalities or serious injuries occurred during the construction.
 - No significant breaches of environmental or heritage regulations.

4. Address the preliminary criteria

- Provide concise narratives that demonstrate the project's value for money, contribution to industry and commitment to employee wellbeing and sustainability.
- While detailed responses are reserved for finalists, your initial submission should outline these points clearly and succinctly.

5. Upload your supporting materials

- Include your company's high-resolution logo and up to five project photographs.

Once you have completed each step you will be asked to pay the entry fee to finalise your application. All applications must be in by 5.00 pm AEDT on Thursday 6 March 2025. Finalists will be notified on Monday 17 March 2025 and advised of next steps.

Don't miss this chance to have your project assessed by an independent judging panel comprising industry experts and leaders. The ACAA offers unmatched visibility for projects that push boundaries and achieve remarkable outcomes.
